Members of Macedonia City Council
9691 Valley View Road
Macedonia, Ohio 44056

Dear Council Members:

This letter is intended to be a reiteration of my support for the Macedonia quiet zone, which has received federal stimulus funding.

My office has been involved in this project since 2008, and I am happy to have been a formal sponsor of it by submitting the original request to Governor Strickland. Three communities (Macedonia, Hudson, and Northfield Center) came together to make the upgrades to the Twinsburg Road rail crossing. Residents and commuters will be safer and the area will be more attractive.

I urge continued support this project and will be happy to work with community leaders to ensure this. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Brian G. Williams".
