The Honorable Don Kuchta
9691 Valley View Road
Macedonia, Ohio 44056

Dear Mayor Kuchta:

This letter is intended to be a reiteration of my support for the Macedonia quiet zone, which has received federal stimulus funding.

My office has been involved in this project since early last year, and I am happy to have been a formal sponsor of it by submitting the request to Governor Strickland. Three communities (Macedonia, Hudson, and Northfield Center) came together to make the upgrades to Twinsburg Road rail crossing inevitable. Residents and commuters will be safer and the area will be more attractive.

It is also my understanding the project leaders, namely Greg McNeil, strongly indicate every intention of coming in under budget when all is said and done.

I urge continued support for this project and will be happy to work with community leaders to ensure this. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Brian G. Williams".
